Things to concern when registering for classes:

1. The minimum number of students in a class is 2, and courses that have less than 2 students may be cancelled.
2. You need to register courses for minimum 4 weeks (no refund when registered less than 4 weeks due to your flight schedule)
3. According to our refund policy, there will be 100% refund more than 4 weeks before the start of the course. After the course have started and covered 1/3, there will be 2/3 refund. After the course have started and covered 1/2, there will be 1/2 refund. After the course have started and covered more than 1/2, there will be no refund.
4. Some courses that have <Level Test> written on the course description require level test after registering the class.
5. Level Test is just a test to divide the classes, so it is available online after your registration (It is required to take before the course begins).
